7. Verification result will be known within one working day. Status of a successful verified account will be shown as above.

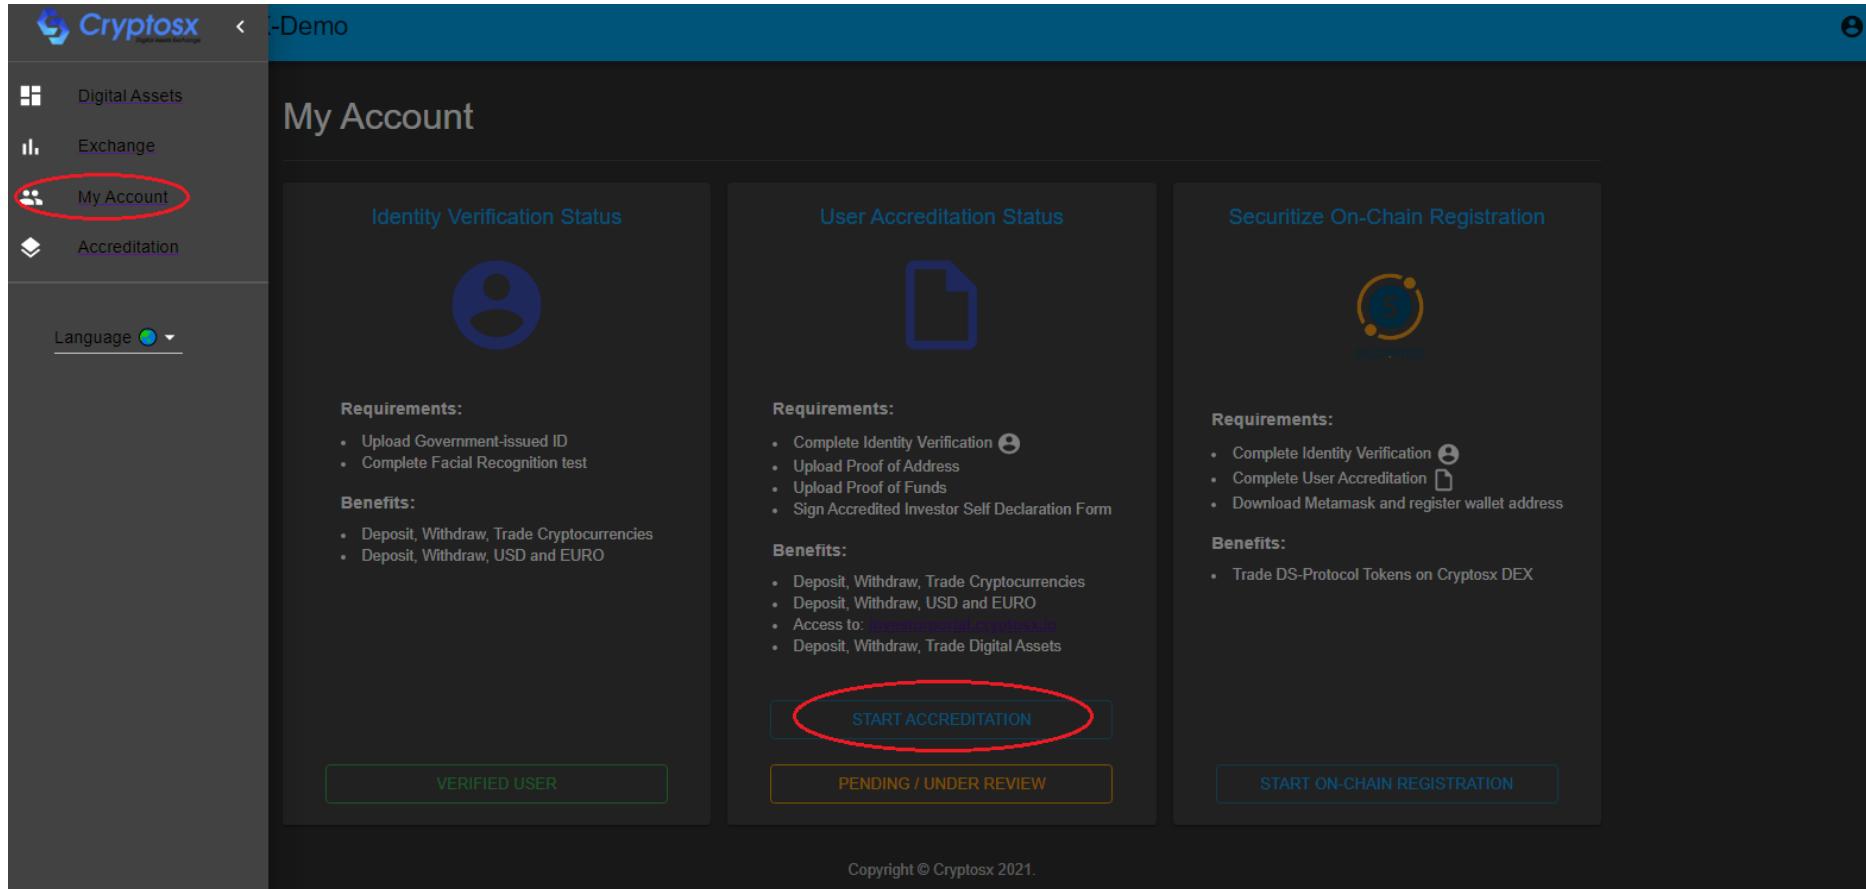

A verified level-1 account allowed user to trade cryptocurrency such as BTC/ETH.

Congratulation! User has successfully registered an account with Cryptosx and verified his account to level 1. For STO trading please refer to [Become an Accredited Investor](#).

Become an Accredited Investor for Security Token Trading

An accredited investor will be able to participate in STO. They are able to BUY/SELL digital assets.

1. Login to the **Investor Portal** at <https://dex.cryptosx.io/>, and go to **My Account** in the drop down from main page once again.

The screenshot shows the 'My Account' page of the Cryptosx Investor Portal. The sidebar on the left has a 'My Account' item with a user icon, which is circled in red. The main content area is divided into three sections: 'Identify Verification Status', 'User Accreditation Status', and 'Securitize On-Chain Registration'. The 'User Accreditation Status' section contains a 'START ACCREDITATION' button, which is also circled in red. The 'Identify Verification Status' section shows a 'VERIFIED USER' status. The 'Securitize On-Chain Registration' section shows a 'START ON-CHAIN REGISTRATION' button.

Securitize On-Chain Registration

Cryptosx DX-Demo is our decentralized trading platform.

Step 1: download/setup **MetaMask** (browser plugin) from <https://metamask.io/index.html>.

Cryptosx DX-Demo

Digital Assets

HCS Whisky Fund - HCS

SECURITIZE

Securitize Demo - ERSD

Step 2: Login to <https://dex.cryptosx.io/> and click the drop down on the top left side.

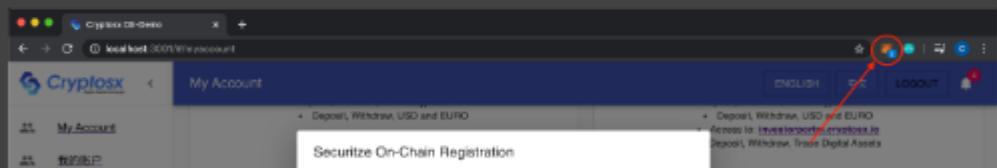

The image shows a mobile application interface for 'Cryptosx Digital Assets Exchange'. On the left, a sidebar menu includes 'Digital Assets', 'Exchange', 'My Account' (which is highlighted with a blue underline and a cursor icon), and 'Accreditation'. Below the menu is a 'Language' dropdown set to 'English'. On the right, a modal window titled 'Securitize On-Chain Registration' is displayed. It features the 'SECURITIZE' logo (a stylized 'S' inside a circle) and two sections: 'Requirements' and 'Benefits'. The 'Requirements' section lists three items: 'Complete Identity Verification' (with a user icon), 'Complete User Accreditation' (with a document icon), and 'Download Metamask and register wallet address'. The 'Benefits' section lists one item: 'Trade DS-Protocol Tokens on Cryptosx DEX'. At the bottom of the modal is a blue button labeled 'START ON-CHAIN REGISTRATION', which is circled in red.

Step 3: Select **My Account** and locate **Securitize On-Chain Registration** on the right side. Click **START ON-CHAIN REGISTRATION**.

Securitize On-Chain Registration (Step 1 of 2)

To begin on-chain registration, you need to be using Google Chrome or Firefox as your browser to install MetaMask Chrome Extension via this link:
[Download Metamask](#)

Once you have MetaMask installed. You should see the  icon at the top right of your browser 

Fantastic! Now you have MetaMask installed, click 'NEXT' to continue 

CANCEL **NEXT**

Step 4: Read the shown instruction and click **NEXT** on the bottom right.

Requirements:

- Upload Government-issued ID
- Complete Facial Recognition test

Benefits:

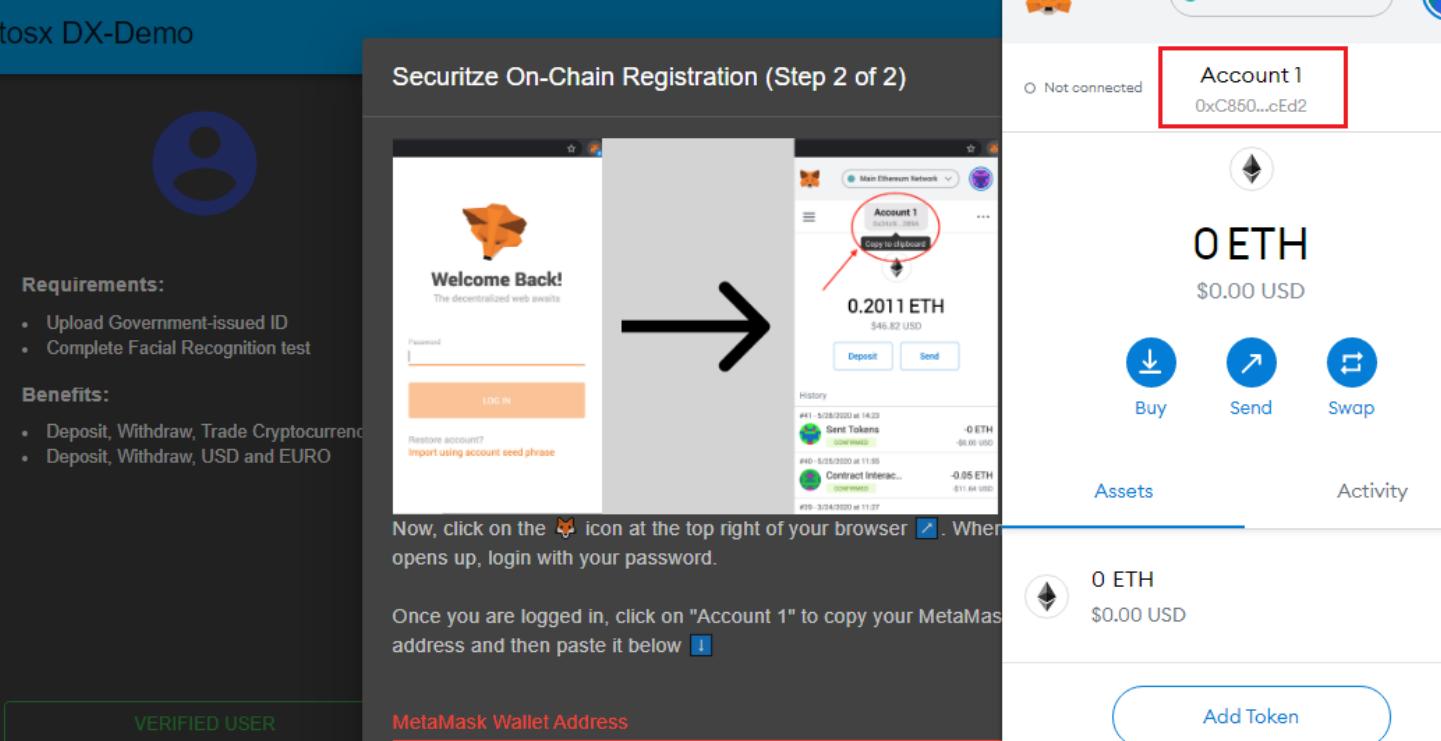

- Deposit, Withdraw, Trade Cryptocurrency
- Deposit, Withdraw, USD and EURO

Now, click on the  icon at the top right of your browser  . When it opens up, login with your password.

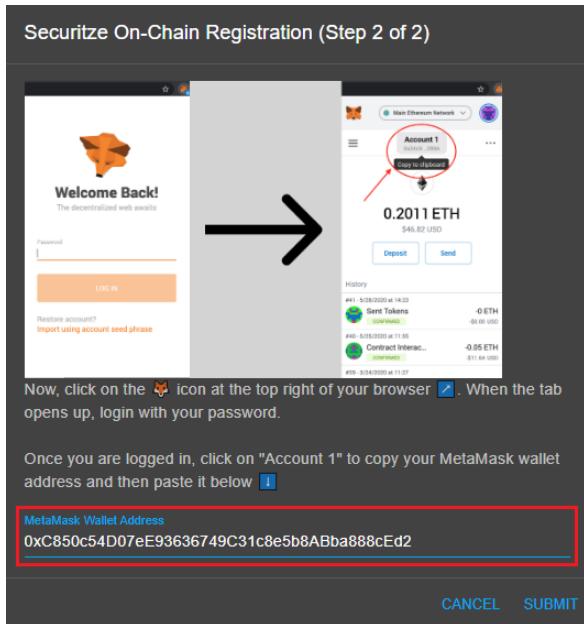

Once you are logged in, click on "Account 1" to copy your MetaMask address and then paste it below 

MetaMask Wallet Address

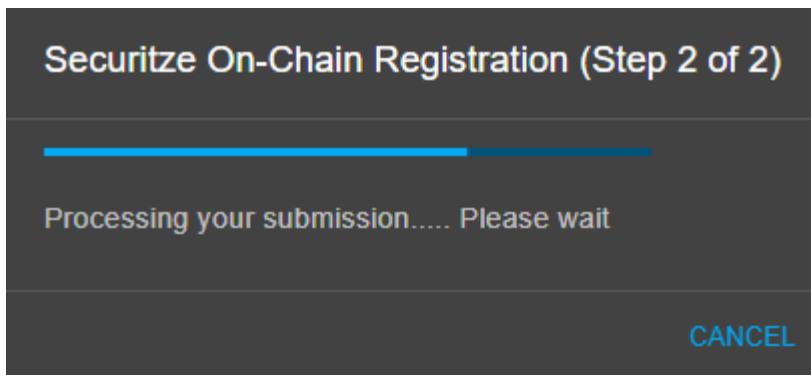

[Cancel](#) [Submit](#)

Step 5: Click on the **MetaMask** browser plugin icon on the top right you download earlier and click **Account 1** from the **MetaMask** drop down (the red rectangle box) to copy your **MetaMask** address.

Step 6: Once you copied your **MetaMask** address, please paste your address to **MetaMask Wallet Address** and click **SUBMIT** on the bottom right.

Congratulation! User has verified his account in Cryptosx DX-Demo.
